Dear Mr Abbas:

Thank you for your recent letter to Senator Barack Obama about your pending immigration issue. I handle Immigration/Visa cases for the Senator and he has asked me to respond on his behalf.

I have contacted the U.S. Citizenship and Immigration Service (USCIS) on your behalf to inquire about the status of your case. A representative from USCIS reported back to me today that your case is being held pending name check completion.

The September 11 terrorist attacks have forced USCIS to implement much more stringent background checks, and they often take up to two years to complete. Unfortunately, a final decision on your petition cannot be made until the national security check is completed by the Federal Bureau of Investigations (FBI) and they have contacted USCIS with the results. If you do not hear back from USCIS within three (3) months, please contact me again and I can inquire on your behalf.

I understand the frustration of enduring such long waits. However, I trust that the FBI and USCIS are working as quickly as they can given the security requirements and caseloads that they face. If you have additional information or concerns relative to this matter, please feel free to contact me at 312-886-3506.

This is in response to your inquiry dated July 31, 2006. The United States Citizenship and Immigration Services (USCIS) Chicago District Office is responding to your inquiry regarding the status of your constituent, Yasein Ali Abbas A78 770 977. Our information shows that the background investigation conducted by the Federal Bureau of Investigations (FBI) for your constituent has not yet been completed. We may not proceed with the adjudication of the application or petition until the FBI completes their process and our records are updated with the results. It is uncertain the time period it takes for the results to be electronically submitted to USCIS and updated in our national records.

Please be assured that every case that is pending a background investigation is checked weekly for results to keep the adjudication process ongoing and timely. We are allowed to resubmit names pending over 90 days only if the name does not appear in the FBI database after 90 days of submission. If requesting an expedite processing of the background investigation your constituent must provide a written request with an explanation directed to the District Director for consideration with supporting evidence. The FBI will only expedite the processing if your constituent is in the military, an "age-out", diversity (DV) lottery winner meeting the deadline date or for compelling reasons.

Again, it is difficult to predict with accuracy when the clearance will be updated in our records. Please be assured that every effort is being made to render a final decision in a timely manner.

Mr. Yasein Ali Abbas

Dear Mr. Abbas:

Thank you for your correspondence requesting an update on your name check process with the Federal Bureau of Investigation (FBI). At this time, USCIS has informed us that no decision can yet be rendered on your petition because the FBI security name check continues to pend. Our office is able to check with USCIS every 90 days to see if they have received a response from the FBI. Please contact me in mid-September 2007 if you would like me to initiate another inquiry with USCIS.

Since 2002, U.S. Citizenship and Immigration Services (USCIS) has increased the number and scope of relevant background checks, processing millions of security checks within a short timeframe. However, in some cases, constituents have waited a year or longer for the adjudication of their petition due to pending security checks.

While the percentage of applicants who find themselves in this situation is small, Senator Obama is aware that the additional delay and uncertainty can cause great anxiety and inconvenience. He has sponsored legislation to assist in reducing the processing times for immigration applications. The comprehensive immigration reform bill that passed the Senate last year included an amendment sponsored by Senator Obama providing \$15 million to the FBI to improve the speed and accuracy of the background and security checks conducted on behalf of USCIS.

Additionally, earlier this year, Senator Obama introduced the Citizenship Promotion Act of 2007 that will further assist legal immigrants on the path to U.S. citizenship by encouraging USCIS to charge fair and reasonable fees and, also, remove other potential bureaucratic hurdles in the naturalization process.

I am told that the FBI and USCIS are working as quickly as they can, and I assure you that Senator Obama is doing everything possible to greater facilitate the process for individuals in your situation. Thank you for your patience and understanding. If you have additional information or concerns relative to this matter, please do not hesitate to contact me at 312-886-3506.
